THE FOUR TRANSITIONS: WHAT SKILLS DO WE NEED, AND HOW TO PROVIDE THEM?

PANEL 18
What are common challenges, what are the trade-offs and compromises that need to be considered?
How do you consider the practical implementation of lifelong learning requirements?

• What are priorities for action?
• Which institutional contexts?
• What should be the role of trade unions/social partners?
In conclusion:

How can workers best be supported in the processes of skilling, upskilling or re-skilling?
