

ETUI Seminar
 Improving Machinery Safety: current issues and emerging risks, automation, robotics and
 the new Machinery Directive
 Bruxelles, 11-12 February 2019

AGENDA

Meeting venue: ITUH Building, 5, Bd. Du Roi Albert II 1210 Bruxelles - Belgium - Meeting Room: B, 1st floor

Day 1, Monday 11 th February 2019		
14:00	Welcome & opening	Claudio Stanzani (Sindnova) Arnd Spahn (EFFAT) Rolf Gehring (EFBWW) Laurent Vogel (ETUI) Fabio Strambi (ETUI Scientific Advisor in Ergonomics in the Design of Work Systems and Standardisation)
14:45 15:30	The impact of Operation and Maintenance of Wind Turbines on the Health and Safety of Workers	Claudia NAROCKI (ISTAS – CCOO)
15:30 – 16:00 Coffee Break		
16.00 16.45	Agriculture machinery: safety problems with power take-off (PTO) drive shafts and their guards	Leonardo Vita – INAIL Davide Gattamelata – INAIL <i>Introduced by Sebastian Dittmar, EFFAT</i>
16:45 17:30	The Feedback Method applied in Agriculture and Construction: current activities and new perspectives	Fabio Strambi – ETUI Scientific Advisor in Ergonomics in the Design of Work Systems and Standardisation Massimo Bartalini – USL Sudest Toscana <i>Introduced by Ermanno Bonaldo (FAI Cisl)</i>
End of the Meeting		
19h00 Dinner offered by ETUI		

Day 2, Tuesday 12 th February 2019		
09:00 10:00	The Revision of the Machinery Directive	Felicia Stoica, European Commission, DG Grow, Deputy head of Unit C/3 Advanced Engineering and Manufacturing Systems <i>Introduced by Marian Schaapman, Head of the Unit Health & Safety and Working Conditions of the Research Department of the ETUI</i>
10:00 10:45	Safety issues in Collaborative Robotics: Examples of Current Best Practices, Critical Areas and New Perspectives	Federico Vicentini, National Research Council of Italy (CNR) - Chair UNI/CT24/GL9 Robots and robot systems - Member ISO/TC299 WG3 Industrial robots - Member ISO/TC299 WG2 Personal care robots
10:45 – 11:15 Coffee Break		
11.15 12.00	Using Robots to Remove Asbestos in Construction Sites	David Chauvin, Direccte Rhones Alpes, Direction du Travail <i>Introduced by Rolf Gehring (EFBWW)</i>
12:00 12:45	The impact of Maintenance of Escalators on the Health and Safety of Workers	Abderrafik Zaigouche (CGT)
12h45 – 14h15 Lunch offered by ETUI		
14:15 15:00	Treatment tables - Quick couplers	Michael Thierbach – KAN Commission for Occupational Health and Safety and Standardization (KAN) <i>Introduced by Sebastian Dittmar, EFFAT</i>
END OF THE MEETING
